

EXTENDED CARE 2022-2023

Summit Christian School offers before and after school care to accommodate families needing extended care.

Our before school care program is available from 7:15 AM until 8:05 AM. Parents must make prior arrangements before using this service. Upon arrival, students are to go directly to the first grade classroom through the playground and knock. The first grade classroom exterior door is the third door from the school's entrance.

After school care is available from dismissal until 6:00 PM. The after school care program uses the library with entry through the courtyard. Parents must register for this program before using this service. Parents will be billed at the beginning of each month for the previous month completed. The after school care program will also be offered on school days with an early dismissal.

Approved pick up individuals must be entered into FACTS/Renweb. Persons picking up students must be prepared to show an ID, and students will only be released to individuals entered into FACTS or for whom we have received written permission from parent/guardian.

Extended Care Discipline: Students in extended care will be expected to follow the expectations of SCS and the discipline concerns will be addressed in a similar manner as during the school day.
